Four-block color study
18-inch center; 20-inch layout with borders.
Digital planning example; no sew-tested instructions.

Page-size checks
Print at Actual Size / 100%.
Measure the filled square on page 1: one inch (25.4 mm) on each side.
Changing to A4 changes the page box. Recheck every frame and page after changing size.
This is a layout and export demonstration, not a tested sewing pattern.
